

DUBROVNIK ACADEMY OF NEUROLOGY

Dear Colleagues,

It is a great pleasure for me to invite you to DUBROVNIK ACADEMY OF NEUROLOGY which will take place in Dubrovnik, Croatia, 19-22 March, 2015. Following the successful meeting in Plitvice National Park and Bol-Island Brač, Croatia, we are delighted to welcome you in Dubrovnik. Dubrovnik a city on the Croatian Adriatic coast, UNESCO, is one of the most prominent tourist destination and among the 10 best preserved medieval walled cities in the world.

The program in Dubrovnik will again provide a forum for active discussion on innovative medicine in neurology and the latest developments in neurodegeneration, movement disorders and dementia, botulinum toxin in neurology, pain and headache, patient's forum, and teaching courses. We are confident Dubrovnik meeting will provide a splendid scientific program in an amazing unique environment. As the Local organizing committee with support of Medical School, Zagreb University, Professional and Social Organization (Croatian Association of Patients with Movement Disorders and European Patients Associations: EFNA, DE, EPDA, etc.), and most importantly with your participation, we hope to make Dubrovnik Meeting a memorable one.

Sincerely Yours

Professor Maja Relja, Congress Chair
